STATEMENT OF SIGNIFICANCE

Noble Tenant Farmer's House

**East Half Lot 28, Concession 9
11122 Reesor Road
c.1840**

The Noble Tenant Farmer's House is recommended for designation under Part IV of the Ontario Heritage Act as a property of cultural heritage value or interest, as described in the following Statement of Significance.

Description of Property

The Noble Tenant Farmer's House is a one and a half storey frame dwelling located on the west side of Reesor Road, approximately half way between Elgin Mills Road East and Nineteenth Avenue. The house faces east, and is set far back from the road.

Design or Physical Value

The Noble Tenant Farmer's House is a typical example of a modest tenant farmer's house in the vernacular Georgian architectural tradition. The asymmetrical arrangement of the door and window openings on the front façade is an indication of an early date of construction and a common element of vernacular architecture where the practicality of the interior plan took precedence over the exterior design. The front veranda is an early 20th century addition. A barn associated with the house is located to the west.

Historical or Associative Value

The Noble Tenant Farmer's House has historical value for its association with Ambrose Noble, an American immigrant from Massachusetts who came to Markham in 1816. Ambrose Noble and his son, Charles, operated a tannery from their home farm at Mount Joy in the mid-19th century. By 1861, the family concentrated on farming. The Noble family did not at any time reside on this property; rather it was occupied by tenant farmers. The rear wing may be the initial phase of construction of the existing house, perhaps dating from as early as c.1840, when the land was purchased from King's College.

Contextual Value

The house at 11122 Reesor Road remains in a rural setting, and is a significant remnant of the agricultural community surrounding the historic crossroads hamlet of Mongolia, originally known as California Corners.

Significant Architectural Attributes

Exterior character-defining attributes that embody the cultural heritage value of the Noble Tenant Farmer's House include:

- Overall form of the building, including its one and a half storey height, L-shaped plan incorporating a one storey rear wing, and the volume of the structure;
- Frame wall construction with the original finish concealed beneath later claddings;
- Medium-pitched gable roof with overhanging eaves;
- Simple front door opening;
- Flat-headed windows openings, with wood 2 over 2 sash windows;
- Hipped-roofed front veranda supported on simple wood posts.
